During Prohibition, New York's most glamorous and powerful made '21' the hottest speakeasy in town and the restaurant of choice to celebrate their most special occasions. Today, '21' remains the perfect place for cocktails, lunch, dinner or your next party.

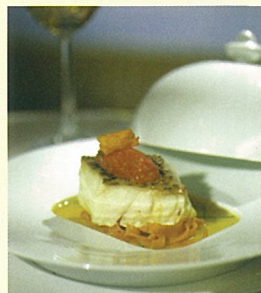

Perfect for meeting after work or any time, '21's famous **cocktail lounge** offers an impressive menu of light gourmet snacks and luscious libations, not to mention a wide selection of single malt scotches, cognacs and ports. Ideal for people watching, the lounge is adored for its wood-burning fireplace, relaxed lighting, comfortable high-back wing chairs, and plush banquettes.

The Upstairs at '21' is an elegant 32-seat restaurant that was awarded *Esquire* magazine's "Best New Restaurants 2003." *The New York Times* said, "it's hard to imagine a more romantic setting or a more heartfelt love song to Manhattan." Surrounded by four beautiful murals that celebrate New York, patrons dine in a salon-like setting where warm and welcoming service, seasonal American haute cuisine and outstanding wines from '21's Grand Award-winning cellar create an enchanting and memorable evening.

Featured on-screen more than any other restaurant in America, the heart of '21' is the legendary 150-seat **Bar Room**. Often described as the quintessential New York City fine dining experience, the Bar Room is the watering hole of celebrities, captains of industry, world leaders and dignitaries of every order. The décor is pure fun and features a world-famous ceilingscape of colorful sports memorabilia and playful corporate logo items presented as gifts from regular patrons.

'21' offers ten character-rich **private rooms** suitable for any corporate event or private party. '21' offers one of the widest and most imaginative menu selections in New York, and discreet but attentive service.
